# THE CREATION OF SPACE

# THE FEATURES

- Available in 16 different sizes ranging from 8in to 72in
- Installation of Collezione Aire is a breeze as compared to fabricating a tiled niche.
- Hand crafted from 304 grade stainless steel
- Choose between Undermount & Flushmount
- Sloped bottom ensures proper drainage of water
- 3<sup>3/4</sup>" depth fits the boldest shampoo bottles
- Integrated in-wall shelving solution
- Optional: Tile the back to create a minimalist look evocative of a custom stainless steel frame.

“Bold, subtle, sleek or minimal. And always stylish, Mezucci Italia has changed the way you shelve by introducing Collezione Aire.”

# ULTRA HYGIENIC

“Easy To Clean.  
And Maintenance Free.”

Water tends to stagnate along the base in tiled niches. Over time, this will gather mold and mildew. Stainless steel is easy to clean and resists bacteria and germs more effectively than ceramic and glass tile.

## "THE TOP COUNTS"

Top and bottom slopes make Collezione M45 exceptionally functional as they make the top of the shelf usable and allow for more storage. Also, the more sleek and stylish sizes such as the 18" x 6" become more utilitarian as the top can accommodate larger bottles.
